

Athabasca University

As a service to its students who may seek to transfer to a degree program at another institution in Alberta, Athabasca is formalizing agreements with those institutions on a course-by-course basis. In addition to the courses listed below, the University offers other courses as part of its degree programs which ordinarily will be assessed on an individual basis by the receiving institution. For the benefit of students transferring from UofA, UofC or UofL, Athabasca will treat these agreements as reciprocal whenever a specific receiving institution course (rather than an option) is recorded below.
